Hi! I'm Michael!

A motivated and proactive entrepreneur, I have a proven track record of building and leading successful ventures. As the Founder of Mike Alan Bygg och Entreprenad AB, I gained extensive experience in project and contract management, budget planning, and day-to-day construction operations, establishing a reputation for excellence in the construction industry. My hands-on approach and problem-solving skills have been pivotal in delivering high-quality projects.

In addition to my construction expertise, I founded ConnectXpress AB and co-founded Mackie Mobile LLC, where I continue to apply my entrepreneurial spirit to innovate and lead in both telecommunications and secure communication solutions.

- ✓ 20 years of professional experience in the construction industry, with a focus on project and contract management
- ✓ Adept at building strong client relationships and delivering projects that exceed expectations
- ✓ Excellent problem-solving abilities, with a hands-on approach to overcoming challenges on-site
